

# Tab Layout

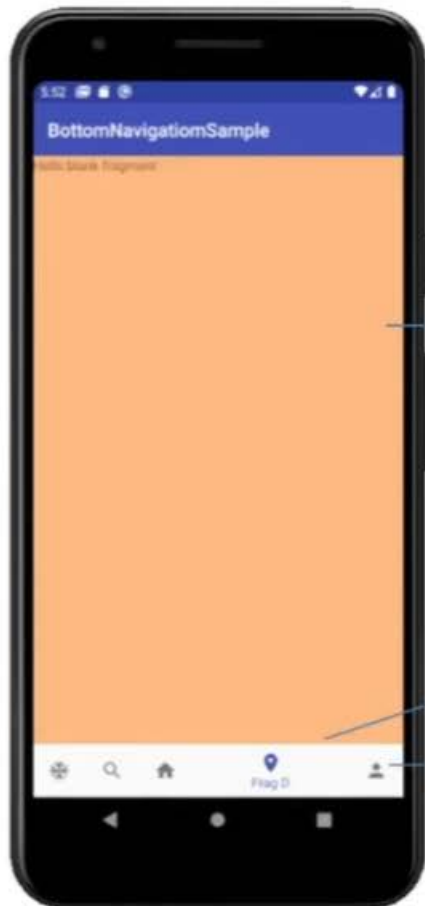

--> Jab 3-5 layout ho then hma tab layout ka use krna chahiye.

--> jab 5-7 layout ho then hma button layout use krna chahiye.

--> Agar more than 7 hai to hma drawer layout use krna chahiye.

--> Ye koi hardcore rule nahi hai, bas ise rule ko use karna se UX acha lagta hai.

# DRAWABLE Navigation View

--> Default size of header layout is 176dp.

--> Action bar drawer take 5 reference for constructor i.e.;

i) Activity reference

ii) drawer reference

iii) toolbar reference

iv) 2 flag reference

a) 1st for opening

b) 2nd for closing

Note: Flag ki value string mai hone chahiye but pass int mai hoga, ise ka liya ham string.xml file use karte hai.
